

RRHC Open Shows 2017 Point System 4-2-17

The following point system for RRHC toward end-of-year prizes will be effective for all 2017 shows.

Note: Points count toward year-end high point awards in each class for those competing in at least **four of the eight** RRHC shows.

- **How the points work in a class: EXAMPLE WITH 6 ENTRIES:** Six points will be allotted per class (1st=6 points, 2nd=5 points, 3rd =4 points, etc.). The winner will be awarded POINTS BASED ON NUMBER OF EXHIBITORS IN THE CLASS.
- Examples:
 - **If the exhibitor is the only entry** in the class, the exhibitor will be awarded the 1 point.
 - **If two exhibitors** enter the class then 1st place is awarded 2 points, and 2nd receives 1 points.
- In **Youth/Amateur/Novice Amateur** divisions, points are added up per **horse/rider** combination.
 - Each horse you ride or exhibit in these divisions will create a different **group of points**. Each group of points is cumulative for **Youth/Amateur/Novice Amateur exhibitor that shows/ owns different horses**.
 - This point system is separate from AQHA, Paint, Palomino or other breed club point systems.
- In the **Open** division, points are added up per **horse only**.
 - Each horse you ride or exhibit in the open division will not create cumulative points for the rider.
 - Each horse placing in the Open division will create cumulative points for the owner.

Points can then be used to **determine** the RRHC Yearend **Buckles Awarded at the 2017 Awards Banquet**. **RRHC winners will be determined on the October Show Points Report**.
